Parent Group Meeting

Parent Group Meeting

The Parent Group will hold a brief meeting in the library on Wednesday 24 March at 2.30pm.

We will discuss the school fair to be held on 11 September 2010, and set up an organising committee.

The Fair

The school fair is our major fundraiser and it is only held every second year. The Ministry of Education estimates that we can raise around \$80,000 per year, and funds the school accordingly. However we currently raise only a fraction of this and our last fair made \$17,000 which paid for appliances in the new practical teaching space and new library books.

A successful fair relies on the support of the school community, and sharing around the workload.

It is also a fun community event and the children love being involved, making items or running small stalls.

Please consider attending the meeting even if you can only offer a few hours help on the day of the fair.

We are also interested in hearing from any businesses or people who may be able to offer prizes or sponsorship.

Thank you to those parents who have already offered to assist with specific tasks at the fair.

Craft Group

A friendly bunch of women currently meet up on alternate Wednesday and Thursday mornings at 10.00am to make items for the craft stall at the fair. If you can use a glue gun without sticking your fingers together and would like to attend, please call Tina Evans (ph: 484 7085) for further details.

Parent Group Committee

We have a small core committee but we would like new members. We know that parents are busy so we keep our meetings short and productive. Meetings are only held as required with typically about one a term.

If you would like to get more involved in the school, this is a relatively easy way to help out.

Apologies

Please email any apologies or offers of assistance to mattandkerstin@xtra.co.nz

Thank you
