URGENT URGENT URGENT **ROAD CROSSING HELP.**

Thank you to our wonderful parents who help on our crossings throughout the year. This is an area of our school support that is greatly appreciated and enables us to ensure our children get safely to school.

We have the urgent need for a person to take over the Wednesday morning slot on Tyne Street, 8.30-9.00 am. If you are able to help please call to the office and leave your name.

Also at times we need to call on parents if someone is not available, to help out on a crossing area. If you can help please leave your name at the office so we can set up a list of helpers.

The Tyne Street area is very busy at the moment with trucks and machinery taking up space. This is resulting in some parking that is putting our children at risk. Please do not park on the school side of Tyne Street or on the Yellow lines. The DCC traffic patrol group are going to monitor this over the next weeks.

Thank you for your support
