

20/5/2010

Dear Parents

On alternating years Kaikorai Primary School holds its school fair to raise funds for the ongoing development of the school environment. This year the date for the fair is set for 11 September 2010. The fair is always a great school community occasion with everyone working together for a fun and successful day.

The fair is also the school's main fundraiser, however its success relies heavily on the support and generosity of parents and businesses in the local community. The Fair Organisation Committee would like to request any contributions you or your business may be able to make towards the school fair. In particular we are seeking raffle prizes or contributions towards the fair costs.

If you are able to make a donation, please fill in the form below or contact Kerstin Keogh (email: mattandkerstin@xtra.co.nz). Kaikorai Primary School would be very grateful for any contributions you may be able to make.

In return, if you wish, we will display your name on the list of sponsors displayed at the fair.

Thank you to those parents and businesses that have already offered their contributions in sponsorship and time.

Yours sincerely

Kaikorai Primary School

Fair Organising Committee
