

## GET YOUR CHILD OFF TO A HEAD START BY JOINING THE KAIKORAI KIWIS!

Kaikorai Kiwis will help your child be fully prepared for their first day of school. It is run by our junior school lead teacher and consists of a variety of activities including literacy and numeracy skills, games and arts and crafts. Children will spend time in the new entrant classrooms and learn some of the school's routines and expectations. Perhaps most importantly, they will get to meet and make friends with children who will be starting around the same time.

Our transition programme runs every second Wednesday starting from February 15th from 1.30 - 2.45 and is open to any child from 4 years of age. If you would like your child to attend Kaikorai Kiwis then please phone the office 464 0065 or email [soldfield@kaikorai.school.nz](mailto:soldfield@kaikorai.school.nz) to book a place.

## WELCOME TO KAIKORAI PRIMARY SCHOOL

Starting school is a special and important time for any child. It is vital for their future educational well-being that their first school experiences are positive.

At Kaikorai Primary School we strive to ensure that your child is warmly welcomed and feels secure within their new class.

We place great value on working with parents of our new entrants in order to make this transition an easy one for the children. Communication between the parents and your child's teacher is vital. Please feel free to approach either myself or any of our staff to arrange a meeting to discuss your child's progress.

We look forward to meeting you and your child. Please contact me if you would like further information or a guided tour of the school.

## KAIKORAI CAN OFFER YOUR CHILD

### Fantastic Teachers

Our teaching staff are highly qualified and experienced. They pride themselves on developing programmes that have a research base and reflect current theory. More importantly they care about your child's well being and want them to be happy at school.

### Well Resourced School

A well maintained library, specialist technology area, interesting playground equipment and ample ICT equipment are just a few of the items Kaikorai has on offer.

### Sporting Opportunities

Children have the opportunity to take part in many sports while at Kaikorai including; Flipperball, Futsal, Netball, Touch and Miniball to name a few. Children also participate in experiences outside of the classroom such as the Year 6 camp.

### Cultural Opportunities

The school choir, kapa haka and orchestra are well resourced and perform regularly throughout the year.

### Enviroschools Programme

Kaikorai children care about people, places and are prepared to take action for the environment.

### A Wonderful Experience

Children who leave Kaikorai are happy, confident and capable students who are well prepared for the next phase of their educational journey.
